

GARY CARTER'S BOOK NAMED ONE OF THE "BEST CAREER DEVELOPMENT BOOKS OF ALL TIME"

November, 2019 – Gary Carter's book named one of the "Best Career Development Books of all Time" by BookAuthority.

As featured on CNN, Forbes, and Inc., BookAuthority is the world's leading site for nonfiction book recommendations that helps readers find the best books on various topics to develop skills.

Career Paths: Charting Courses to Success for Organizations and their Employees, co-authored by Kevin cook and David Dorsey, explains how to improve employee retention and development through the application of career paths in the workplace. In addition to this achievement, reviewers have described the book as "the best step by step guide for how to identify career paths – practical advice, clearly presented, straightforward."

The book is part of Wiley-Blackwell's Talent Management Essentials Set and can be purchased on Amazon at <https://www.amazon.com/Career-Paths-Charting-Organizations-Employees/dp/1405177330?tag=uuid10-20>.
